QUARTERLY FX COST REVIEW

Ashby Marine Supplies Ltd

Prepared for the Finance Director · Period 1 Aug – 31 Oct 2026 · 41 outbound transfers

You're in good hands

Your FX pricing is in line with what a well-priced provider would charge a business of your size. We found no meaningful overpayment, and no change is needed.

Volume analysed	Your all-in cost	Benchmark rate
$2.84m	0.32%	0.40–0.70%

Pair	Volume	Your cost	Achievable	Verdict
USD → EUR	$1.42m	**0.27%**	0.40–0.60%	**Better than benchmark**
USD → GBP	$1.03m	**0.32%**	0.40–0.60%	**Better than benchmark**
USD → CNY	$0.39m	**0.48%**	0.45–0.70%	**Well priced**

No intermediary deductions were found on any transfer: every payment arrived in full.

Pricing can drift as volumes and relationship managers change. We recommend running the same check again in six months: **info@multibanx.com** · multibanx.com

Method: each transfer compared with independent interbank market rates for its value date, measured on the cautious basis described in our full report. Multibanx is provider-agnostic, and this report is for information only and is not financial advice.
